

READY-MADE VERTICAL BLINDS

FEATURES

- Ready-Made Vertical Blinds are available in both Contract and Deluxe grades:
- Contract grade with steel head rail;
- Deluxe grade with aluminum head rail.
- 2 standard colors — white or alabaster — or we can color match any color.
- Please contact us for color selections.

ADDITIONAL FEATURES

- Wand control is used for safety.
- Blinds come with standard PVC channel panel valance and valance returns.
- Curved PVC vanes.

Packaging

- Each blind comes standard in a white box with Hardware Kit packed two to a master carton. Also available in UPS shippable box.
- Blinds can also be ordered “bulk packed” which is preferred in contract applications. Bulk packing eliminates unneeded cardboard waste and allows for more efficient container packing. Contact us for more information.

Retail Packaging

- Custom packaging and labeling is available for retail applications. Blinds can be packed in generic boxes with color labels or fully customized to meet your needs.

Special Features

- Bar coding, special labeling, specific requirements, and packaging is

available. Our experienced staff can help you with your order and help you make the right choices when ordering blinds.

Programs Available

- We make it easy to order blinds directly from our factory in China. Blinds can be ordered in 20 foot or 40 foot containers directly from our factory for the best value. We also offer a “Container Add-On Program.”

Average Container Packing Ready-Made Vertical Blinds

20 ft Container	1,500 blinds
40 ft Container	2,000 blinds

NOTE: The amounts listed above are average quantities only. Your actual quantity may vary based on actual sizes that are ordered. Go to CONTAINER PACKING for more details.
